re: Coal Creek Distribution

Dear Sir:

Upon application of Mr. J. T. Leigh, Water Commissioner, a surety bond was issued by the American Surety Company. The premium on the bond is \$5.00. Several requests have been made upon me for payment of this premium. This is a bill which must be paid by the Coal Creek users.

Will you kindly send the check to me and I shall pay the American Surety Company, or, if you would prefer, send it directly to the American Surety Company of New York, 1212 Walker Bank Building, Salt Lake City, Utah. If you do the latter, please advise me so that I may close my file.

I am enclosing the bill.

Very truly yours,

Ed. H. Watson,
State Engineer.
